By signing below, the Surety verifies that the information above is correct and agrees to the following:

1. The Surety does hereby absolutely and unconditionally bind itself to the United States of America acting through and by the Bureau of Ocean Energy Management (BOEM), or such other official designated by the Secretary of the Interior for this purpose, for the payment of all of the cost of the plugging and abandonment Obligations.
2. The Surety will be responsible for all Obligations of the Principal in existence at the time this document becomes effective and all Obligations that accrue after that date and until all Obligations are met or until the Regional Director terminates the period of liability of this bond.
3. If the Regional Director terminates the period of liability of this bond, the Surety will remain responsible for Obligations that accrued during the period of liability until the Regional Director issues a written cancellation of the bond in favor of the Surety.
4. If this bond is cancelled, the Regional Director may reinstate this bond as if no cancellation had occurred if any payment of any Obligation of the Principal(s) is rescinded or must be restored pursuant to any insolvency, bankruptcy, reorganization, or receivership, or should the representation of the Principal that it has paid its financial Obligations or performed the other

Obligations of the lease in accordance with BOEM specifications be materially false and BOEM relied upon such representation in canceling the instrument.

5. The Surety waives any right of notice of this bond taking effect and agrees that this bond will take effect upon delivery to BOEM.
6. The Surety's Obligations will remain in full force and effect, even if:
 - (a) Any person assigns all or part of any interest in an Instrument covered by this document.
 - (b) Any person modifies an Instrument or Obligation under an Instrument in any manner including modifications that result from a commitment to a unit, cooperative, communitization, or storage agreement; suspension of operations or production; suspension or changes in rental, minimum royalty, or royalties; modification of regulations or interpretations of regulations; creation or modification of compensatory royalty agreements or payments; or creation of any mortgage, pledge, or other grant of security interest in the Instruments.
 - (c) Any person, event, or condition terminates any Instrument covered by this bond, whether the termination is by operation of law or otherwise.
 - (d) BOEM takes or fails to take any action in enforcing, as against any party to the Instrument, the payment of rentals or royalties or the performance of any other covenant, condition or agreement of the lease, or giving notice of or making demand with respect to such nonperformance.
 - (e) The Surety suffers any loss by reason of any law limiting, qualifying, or discharging the Principal's Obligation.
7. The Surety agrees to be bound under this bond as to the interests in any Instrument retained by the Principal when BOEM approves the transfer of any or all of the Instruments or interests in the Instruments.
8. In the event of any default under a lease, the Surety must provide payment of all of the cost of the Obligations of the Principal upon demand by BOEM.
9. If BOEM decides to commence suit to enforce its rights, it may commence and prosecute any claim, suit, action, or other proceeding against the Principal and Surety, or either of them, whether or not BOEM joins the lessees or any other party.
10. In the event there is more than one Surety for the Principal's performance of the Obligations, as to any Instrument, the Surety's Obligation and liability under this bond is on a "solidary" or "joint and several" basis along with other guarantors or sureties.
11. The Surety agrees to give prompt notice to BOEM and the Principal of any action filed alleging the insolvency or bankruptcy of the Surety or the Principal, or alleging any violation that would result in suspension or revocation of the Surety's charter or license to do business.
12. The Surety's Obligation and liabilities under this Bond are binding upon the Surety's successors and assigns. Nothing in this document permits assignment of the Surety's Obligation without the written consent of BOEM.

PERFORMANCE BOND

Bond No. ES00001447

KNOW ALL MEN BY THESE PRESENTS, that we, **Fieldwood Energy LLC, 2000 West Sam Houston Parkway South, Suite 1200, Houston, Texas 77042**, as Principal, (hereinafter called the "Principal"), and **Everest Reinsurance Company, 451 5th Avenue, New York, NY 10017**, (hereinafter called the "Surety"), are held firmly bound unto **GULFSTAR ONE LLC, c/o Tim Neuman, Williams Companies, Inc., One Williams Center MD 50, Tulsa, OK 74172** as Obligee, (hereinafter called the "Obligee"), in the maximum penal sum of **Sixteen Million and NO/100 (\$16,000,000.00) Dollars**, good and lawful money of the United States of America, for the payment of which, well and truly to be made, we bind ourselves, our heirs, administrators, executors, successors, assigns, jointly and severally, firmly by these presents.

WHEREAS, the above bound Principal has entered into certain written contracts with the above mentioned Obligee described as: **Gunflint Production Handling Agreement, Gunflint Gas Export Agreement and Gunflint Oil Export Agreement, all dated December 10, 2013** (the "Agreements"), contracts are hereby referred to and made a part hereof as fully and to the same extent as if copied at length herein.

WHEREAS, the Obligee has agreed to accept a bond guaranteeing the performance of said Contracts.

NOW, THEREFORE, the condition of this obligation is such that, if the Principal shall indemnify the Obligee for any and all loss that the Obligee may sustain by reason of the Principal's failure to comply with the terms and conditions of said Contracts, then this obligation shall be null and void, otherwise it shall remain in full force and effect.

PROVIDED HOWEVER, that this Bond is executed by the Surety and accepted by the Obligee subject to the following expressed conditions:

- This Bond is for the term beginning **March 21, 2019** and expiring **March 21, 2020**. This bond will renew annually hereafter unless surety sends notice of non-renewal to Obligee at least ninety (90) days prior to the expiration date provided herein. It is understood and agreed that the Obligee may recover the full amount of the Bond (less any previous amounts paid to Obligee under the Bond) if the Surety cancels or non-renews the Bond and, within twenty (20) days prior to the effective date of cancellation, the Obligee has not received collateral acceptable to it to replace the Bond.
- No claim, action, suit or proceeding, except as herein set forth, shall be had or maintained against the Surety on this Bond unless same be brought or instituted and process served upon the Surety within six months following the expiration of the original term of this Bond, or extended term as provided herein.
- In the event the Principal fails to make any payments due to the Obligee under the Agreements which would constitute the basis of a default thereunder, within Ten (10) business days of Surety's receipt of a demand for payment under this Bond (hereinafter called "Demand"), Surety shall pay to the Obligee the amount of such Demand. The Surety shall cause to be paid all payments that are open or past due up to the penal amount, and in so doing cure any Default under the Agreements and shall not be bound by any forfeiture or acceleration provision of the Agreements to the contrary, but rather shall be responsible for the continuation of timely payments as provided in the Agreements as though there had been no Default. The Obligee may present one or more Demands at any time in its sole discretion, provided however, Surety shall not be obligated to pay an aggregate amount in excess of the penal sum of the Bond. The bond penalty shall remain fixed during the term of the bond regardless of the number of years it remains outstanding unless amended by Surety through the issuance of a rider.
- If Surety receives any claim in conformity with the terms and conditions of this Bond, Surety will make payment to Obligee, without inquiring whether Obligee has a right, as between Obligee and Principal, to make such claim and without recognizing any claims of Principal. On or within the timeframe noted herein, payment will be effected by Surety (using its own funds) by wire or electronic funds transfer in immediately available funds to such account as Obligee may designate to Surety.

In the event of conflict or inconsistency between the provisions of this Bond and the provisions of the above Agreements, the provisions of this Bond shall control. The Obligee's acceptance of this Bond and reliance upon it as security constitutes its acknowledgement and agreement as to the explicit terms stated herein under which it is offered and issued by the Surety.

The Surety represents and warrants that it has the full power to enter into and perform its obligations under this Bond and has taken all proper limited liability company and other action to duly and validly authorize entering into this Bond and to perform its obligations hereunder. The Surety represents and warrants that it is duly authorized by the proper public authorities to transact the business of indemnity and suretyship in the state where it executed this Bond, and represents that it is qualified to be surety and guarantor on bonds and undertakings, which certificate has not been revoked

2. The Surety will be responsible for all Obligations of the Principal in existence at the time this document becomes effective and all Obligations that accrue after that date and until all Obligations are met or until the Regional Director terminates the period of liability of this bond.
3. If the Regional Director terminates the period of liability of this bond, the Surety will remain responsible for Obligations that accrued during the period of liability until the Regional Director issues a written cancellation of the bond in favor of the Surety.
4. If this bond is cancelled, the Regional Director may reinstate this bond as if no cancellation had occurred if any payment of any Obligation of the Principal(s) is rescinded or must be restored pursuant to any insolvency, bankruptcy, reorganization, or receivership, or should the representation of the Principal that it has paid its financial Obligations or performed the other

Obligations of the lease in accordance with BOEM specifications be materially false and BOEM relied upon such representation in canceling the instrument.

5. The Surety waives any right of notice of this bond taking effect and agrees that this bond will take effect upon delivery to BOEM.
6. The Surety's Obligations will remain in full force and effect, even if:
 - (a) Any person assigns all or part of any interest in an Instrument covered by this document.
 - (b) Any person modifies an Instrument or Obligation under an Instrument in any manner including modifications that result from a commitment to a unit, cooperative, communitization, or storage agreement; suspension of operations or production; suspension or changes in rental, minimum royalty, or royalties; modification of regulations or interpretations of regulations; creation or modification of compensatory royalty agreements or payments; or creation of any mortgage, pledge, or other grant of security interest in the Instruments.
 - (c) Any person, event, or condition terminates any Instrument covered by this bond, whether the termination is by operation of law or otherwise.
 - (d) BOEM takes or fails to take any action in enforcing, as against any party to the Instrument, the payment of rentals or royalties or the performance of any other covenant, condition or agreement of the lease, or giving notice of or making demand with respect to such nonperformance.
 - (e) The Surety suffers any loss by reason of any law limiting, qualifying, or discharging the Principal's Obligation.
7. The Surety agrees to be bound under this bond as to the interests in any Instrument retained by the Principal when BOEM approves the transfer of any or all of the Instruments or interests in the Instruments.
8. In the event of any default under a lease, the Surety must provide payment of all of the cost of the Obligations of the Principal upon demand by BOEM.
9. If BOEM decides to commence suit to enforce its rights, it may commence and prosecute any claim, suit, action, or other proceeding against the Principal and Surety, or either of them, whether or not BOEM joins the lessees or any other party.
10. In the event there is more than one Surety for the Principal's performance of the Obligations, as to any Instrument, the Surety's Obligation and liability under this bond is on a "solidary" or "joint and several" basis along with other guarantors or sureties.
11. The Surety agrees to give prompt notice to BOEM and the Principal of any action filed alleging the insolvency or bankruptcy of the Surety or the Principal, or alleging any violation that would result in suspension or revocation of the Surety's charter or license to do business.
12. The Surety's Obligation and liabilities under this Bond are binding upon the Surety's successors and assigns. Nothing in this document permits assignment of the Surety's Obligation without the written consent of BOEM.

KNOW ALL MEN BY THESE PRESENTS:

THAT we, Fieldwood Energy LLC, with its principal office at 2000 W. Sam Houston Pkwy South, Suite 1200, Houston, Texas 77042, (the “**Principal**”) and Berkley Insurance Company, with its principal office at 475 Steamboat Road, Greenwich, CT 06830, (the “**Surety**”), are held and firmly bound unto Noble Energy, Inc., with its principal office at 1001 Noble Energy Way, Houston, Texas 77070, (the “**Obligee**”), in the penal sum of Forty Million and No/100 Dollars (\$40,000,000) lawful money of the United States of America (the “**Penal Sum**”) for the payment of which sum the Principal and the Surety bind themselves, their successors and assigns, jointly, severally, and in solido, firmly by these presents. All capitalized terms used but not defined herein shall have the meanings ascribed to such terms in the Purchase Agreement (as defined below).

WHEREAS, Principal and Obligee have entered into that certain Purchase and Sale Agreement dated February 14, 2018, (the “**Purchase Agreement**”), which Purchase Agreement is by reference made a part hereof and which provides for the sale and assignment from the Obligee to the Principal of the interests of Obligee in the oil and gas leases, contracts, properties, wells, platforms, facilities, rights of way, equipment, pipelines and personal property defined therein as the “Assets,” including those identified on Exhibit A of the Purchase Agreement and identified on Exhibit A to this Performance Bond (the “**Bond**”), together with, among other rights and obligations, all P&A Obligations (as defined in the Purchase Agreement) associated therewith; and

WHEREAS, the Principal and the Surety agree that this Bond shall remain in full force and effect until all P&A Obligations associated with the Assets identified on Exhibit A to this Bond have been truly and faithfully performed and discharged, subject to the terms and conditions hereof; and

WHEREAS, the Principal has promised to deliver to the Obligee, contemporaneous with the closing of the Purchase Agreement, a performance bond in the form hereof executed by Principal and Surety; and

WHEREAS, the Surety represents that it is duly authorized by the proper public authorities to transact the business of indemnity and suretyship in the state where it executed this Bond, and represents that it is qualified to be surety and guarantor on bonds and undertakings, which certificate has not been revoked; and

WHEREAS, the Surety represents that it has duly executed a power of attorney, appointing the hereinafter named representative as its duly authorized deputy, as the true and lawful attorney-in-fact of such Surety, upon whom may be served all lawful process in any action or proceeding against such Surety in any court or before any officer, arising out of or founded upon this Bond or any liability hereunder; and does hereby agree and consent that such service, when so made, shall be valid service upon it, and that such appointment shall continue in force and effect and be irrevocable so long as any liability against it remains outstanding hereunder.

NOW, THEREFORE, the Principal and the Surety agree as follows:

The Surety hereby guarantees the full and faithful performance by Principal of, and compliance by the Principal with the applicable provisions of the Purchase Agreement requiring the Principal to timely and fully perform and satisfy, the P&A Obligations associated with the Assets identified on Exhibit A to this Bond.

PROVIDED, HOWEVER, the Surety is hereby authorized and directed to reduce the Penal Sum at any time upon presentation of a bond reduction rider acknowledged by Obligee, in substantially the same form attached hereto as Exhibit B; provided, however, in the event, and only in the event, the Obligee fails to execute and acknowledge a bond reduction rider as set forth in this Bond then the Surety is hereby authorized and directed to reduce the Penal Sum upon the occurrence of one of the following: (a) presentation by the Principal to the Surety of a letter from an officer of Principal certifying that, prior to the presentation of such letter to the Surety, the Principal filed with BSEE (or any successor regulatory authorities) a Regulatory Verification (as such term is defined herein below) for the applicable Asset(s) indicating that all P&A Obligations with respect to such Asset(s) had been completed, (b) presentation by the Principal to the Surety of a letter from an officer of Principal certifying that, prior to the presentation of such letter to the Surety, the BSEE and/or BOEM (or any successor regulatory authorities) public databases indicated that all P&A Obligations for the applicable Asset(s) were completed.

Regulatory Verification as used in this Bond shall mean a copy of (i) an end of operations notice for Wells, (ii) a completion report for pipelines, flowlines, and gathering lines included in the Assets, or (iii) a site clearance report for Facilities and other structures included in the Assets, in each case indicating all Plugging and Abandonment related to such Asset(s) has been completed.

Principal and the Surety agree that this Bond shall remain in full force and effect until all P&A Obligations associated with the Assets identified on Exhibit A to this Bond have been truly and faithfully performed and discharged, subject to the terms and conditions hereof.

PROVIDED, FURTHER THAT, including to the extent the Principal may be liable for any expenses, fees, penalties, damages (either direct, indirect or consequential) related to the P&A Obligations described above, or to the extent the Obligee may incur any attorney's fees or court costs or other expenses of litigation in the event of a contest over the Surety's denial of the obligation (or any part thereof), the maximum obligation of the Surety under this Bond shall be the Penal Sum reduced, as applicable, as provided for herein.

It is further agreed that, without limiting or reducing the obligations of the Surety under this Bond, the Surety shall not be liable for any provisions of the Purchase Agreement or specifications therein respecting the procurement of, or coverages provided by, any insurance, nor shall the Surety be liable under any hold harmless and/or indemnification agreements entered into by the Principal in relation to personal injury and/or property damage or any other loss sustained by third parties in any way connected to or arising out of work and/or operations of any party in prosecuting the work to be performed under the Agreement.

FURTHERMORE, it is agreed that the Surety shall, but without limiting or reducing the obligations of Surety under this Bond, have no obligation to the Principal, or any other person or

entity for any loss suffered by the Principal, or any other person or entity by reason of acts or omissions which are covered by the Principal's general liability insurance, products liability insurance, completed operations insurance or any other insurance.

Upon any failure by the Principal to carry out any or all of the P&A Obligations associated with the Assets identified on Exhibit A to this Bond and the Obligor has presented to the Surety a written notice that the Principal is in default of such P&A Obligations (in each case, the "**Defaulted P&A Obligations**"), and such condition has persisted for thirty (30) days after written notice of such default has been given by certified mail to the Principal and to the Surety at their last known addresses, the Obligor shall then proceed to solicit at least two (2) written bids from generally recognized third party contractors with experience performing plugging, abandonment and decommissioning in the United States Gulf of Mexico for the performance of the Defaulted P&A Obligations and submit such third party bids to the Surety, following receipt of which the Surety shall, within thirty (30) days, either: (1) pay to the Obligor an amount equal to the lesser of such written third party bids, but not exceeding the Penal Sum (reduced, as applicable, as provided for herein), and the obligations associated with this Bond shall then be considered null and void to the extent paid; or (2) commence, or cause to be commenced, the necessary operations to perform the Defaulted P&A Obligations.

If the Surety shall decide, upon default by the Principal, to pay to the Obligor an amount equal to the lesser of the third party bids for the performance of the Defaulted P&A Obligations in accordance with the immediately preceding paragraph hereof, on or before the one hundred twentieth (120th) day following the completion of such Defaulted P&A Obligations, the Obligor shall deliver to Surety a statement (the "**Final Cost Statement**") of the actual and verifiable costs and expenses actually incurred by Obligor to perform the Defaulted P&A Obligations, along with reasonable documentation in support thereof (including any third party invoices associated with the performance such Defaulted P&A Obligations). If such costs and expenses, in the aggregate (the "**Aggregate Cost Amount**"), exceed the amount of the initial payment made hereunder by the Surety to the Obligor (the "**Surety Payment Amount**"), the Surety shall pay to Obligor, on or before the thirtieth (30th) day following the date of the Final Cost Statement, an amount equal to the positive difference between the Aggregate Cost Amount and the Surety Payment Amount. If the Surety Payment Amount exceeds the Aggregate Cost Amount, Obligor shall pay to the Surety, on or before the thirtieth (30th) day following the date of the Final Cost Statement, an amount equal to the positive difference between the Surety Payment Amount and Aggregate Cost Amount.

If the Surety shall decide, upon default by the Principal, to commence, or cause to be commenced, the Defaulted P&A Obligations, the Surety shall continue to perform, or cause the performance of, such obligations until such time as the Defaulted P&A Obligations have been truly and faithfully performed and discharged, thereby reducing the Penal Sum by an amount equal to the actual and verifiable costs and expenses incurred by the Surety to perform, or cause the performance of, the Defaulted P&A Obligations.

In the event the Surety decides, upon default of the Principal, to perform, or cause the performance of any Defaulted P&A Obligations of Principal, then **SURETY SHALL FULLY DEFEND, PROTECT, INDEMNIFY, HOLD HARMLESS, AND RENDER WHOLE OBLIGOR, ITS AFFILIATES, AND EACH OF SUCH PERSON'S RESPECTIVE SHAREHOLDERS, MEMBERS, DIRECTORS, EMPLOYEES, OFFICERS, LENDERS,**

ADVISORS, REPRESENTATIVES, ACCOUNTANTS, ATTORNEYS, CONSULTANTS AND AGENTS (THE, "INDEMNIFIED PARTIES") FROM AND AGAINST EACH AND EVERY CLAIM, DEMAND OR CAUSE OF ACTION, AND ANY LIABILITY, COST, EXPENSE (INCLUDING, BUT NOT LIMITED TO, REASONABLE ATTORNEYS' FEES), OR CLAIMS WITH RESPECT TO DAMAGE OR LOSS IN CONNECTION THEREWITH, WHICH MAY BE MADE OR ASSERTED BY SURETY, ITS AGENTS, SUCCESSORS OR ASSIGNS, OR BY ANY THIRD PARTY OR PARTIES (INCLUDING, BUT NOT LIMITED TO, GOVERNMENTAL AGENCIES) ON ACCOUNT OF PERSONAL INJURY, DEATH, PROPERTY DAMAGE AND/OR ENVIRONMENTAL DAMAGE ARISING FROM OR IN CONNECTION WITH THE PERFORMANCE OF SUCH DEFAULTED P&A OBLIGATIONS, AND ANY CLAIMS AND/OR DEMANDS ASSOCIATED THEREWITH, CAUSED BY, ARISING OUT OF, OR INCIDENTAL TO THE PAST, PRESENT OR FUTURE CONDITION OR STATE OF REPAIR OF SAID ASSETS, OR THE OWNERSHIP AND USE THEREOF, UNDER THIS BOND, HOWSOEVER OCCURRING, INCLUDING, WITHOUT LIMITATION, WHETHER SUCH CLAIMS, DEMANDS, DAMAGES, LOSSES AND LIABILITIES, WITH OR WITHOUT FAULT, WERE CAUSED BY THE SURETY'S OR THE SURETY'S CONTRACTORS' OR SUBCONTRACTORS' SOLE NEGLIGENCE OR CONTRIBUTORY NEGLIGENCE, AND/OR OBLIGEE CONTRIBUTORY NEGLIGENCE (EXCEPT TO THE EXTENT OF THE GROSS NEGLIGENCE AND/OR WILLFUL MISCONDUCT OF OBLIGEE), OR IMPOSED ON SAID PARTIES OR OTHERS UNDER ANY THEORY OF STRICT LIABILITY BY OPERATION OF LAW, OR ANY COMBINATION THEREOF, OR ANY OTHER THEORY OF LAW PRIOR TO, AT THE TIME OF, OR SUBSEQUENT TO THE EFFECTIVE DATE HEREOF.
